

Date	Name	Team	Hours	Comments	Total Hours
23/01/2023	Harry	Programming	3.00	Programming workshop	3.00
31/01/2023	Harry	Programming	1.25	Created basic version of key tab and added log out button	4.25
01/02/2023	Harry	Programming	1.50	Icarius GUI: Continued work on key tab, which is now only available to sysadmin logins (without being linked to rest of the program).	5.75
02/02/2023	Harry	Programming	2.00	Icarius GUI: Improved table implementation, began work on bird tab	7.75
05/02/2023	Harry	Programming	2.00	Icarius GUI: Continued work on bird tab, electing to use a JTree instead of a table to display birds.	9.75
06/02/2023	Harry	Programming	1.25	Icarius GUI: Created temporary bird menu with JTree.	11.00
07/02/2023	Harry	Programming	1.50	Icarius GUI: Buttons in campus menu now work with the JTree	12.50
08/02/2023	Harry	Programming	0.75	Icarius GUI: Commented code to make it readable for team mates.	13.25
09/02/2023	Harry	Programming	1.00	Timetabled Software Session	14.25
12/02/2023	Harry	Programming	1.50	Icarius GUI: Began reworking code to make it both neater and to make it work better with JTrees	15.75
13/02/2023	Harry	Programming	2.50	Icarius GUI: Continued rework of GUI program	18.25
19/02/2023	Harry	Programming	2.00	Icarius GUI - Worked on bird tab.	20.25
20/02/2023	Harry	Programming	0.75	Tender presentation + update meeting	21.00
21/02/2023	Harry	Programming	2.00	Icarius GUI - Did more work on bird tab.	23.00
22/02/2023	Harry	Programming	0.75	Icarius GUI - adding all necessary fields to the bird tab.	23.75
23/02/2023	Harry	Programming	1.50	Software Session	25.25
24/02/2023	Harry	Programming	1.75	Icarius GUI: User can now add birds to campuses by interacting with tree instead of entering campus manually.	27.00
27/02/2023	Harry	Programming	2.00	Icarius GUI: Merged campus and bird tabs into a singular main tab	29.00
27/02/2023	Harry	Programming	1.00	Icarius GUI: Began work on admin tab and looked at ways to create trees without storing them in campus object	30.00
28/02/2023	Harry	Programming	2.50	Icarius GUI: Made main tab code neater, worked on edit campus and bird feature, and added file explorer to relevant buttons	32.50
01/03/2023	Harry	Programming	1.50	Icarius GUI: Worked more on edit buttons	34.00
09/03/2023	Harry	Programming	2.00	Scheduled Software Session - did more work on Icarius GUI, getting it to a point where it can be implemented with server	36.00
14/04/2023	Harry	Programming	0.50	Fixed an issue in Icarius GUI	36.50
21/04/2023	Harry	Programming	2.00	Icarius gui - making TODO list	38.50
23/04/2023	Harry	Programming	1.25	Icarius gui - Can now add bird to server with name, about, location, and diet text. However, this isn't yet displayed on the GUI itself. Also fixed a minor bug in relation to adding a bird with the same name as the campus it's being added to	39.75
23/04/2023	Harry	Programming	2.00	Icarius gui - Above bird info is now displayed on gui. Edit bird now works with server.	41.75
25/04/2023	Harry	Programming	3.50	Icarius gui - Upload buttons now return file path. Improved remove campus and moved it into edit campus (took surprisingly long), implemented delete bird feature (doesn't work with server yet), fixed more bugs.	45.25
27/04/2023	Harry	Programming	4.00	Meeting + icarius commenting, admin tab and further work on upload buttons	49.25
04/05/2023	Harry	Programming	1.75	Getting familiar with the refactored GUI code and planning out its further development with Connall	51.00
18/05/2023	Harry	Programming	1.25	Icarius GUI: Learning refactored code and implementing create user tab	52.25
22/05/2023	Harry	Programming	0.75	Icarius GUI: Began work on users tab	53.00
23/05/2023	Harry	Programming	2.00	Icarius GUI: More work on users tab	55.00
26/05/2023	Harry	Documentation	0.75	Icarius User Manual - added information about the admin tabs	55.75
29/05/2023	Harry	Programming	6.00	Icarius GUI bug fixes	61.75
30/05/2023	Harry	Programming	2.25	Meeting + Discussion of remaining work on Icarius GUI	64.00
30/05/2023	Harry	Programming	4.50	Icarius GUI: Reformatted edit bird and updated create user tab	68.50
31/05/2023	Harry	Programming	1.50	Icarius GUI - Improvement made to users tab	70.00
02/06/2023	Harry	Programming	2.00	Icarius GUI: Updated the create bird form, bugfixed text areas	72.00
